MBBS, M.Ch (CTVS), MRCS (Edin.) UK DNB (Gen. Surgery),
FIAGES, FAIS, FMAS, FLS (SAGES) USA.
Consultant Cardio Thoracic Surgeon
Director of Speed Heart Centre, Chennai
Founder & Managing Director of Speed Medical Institute
Chairman Speed Medical Village & Medical Centre Hospital Chennai

Dear Colleagues,

It gives me a great pleasure to invite you for the NEET SS-MCH/DM/DNB Training programme at Chennai, a solemn and holy city of South India. The programme is arranged, in such a way that all specialities will be covered in detail to enable you to qualify in NEET SS.

Continuing surgical education will include latest developments in surgical topics, which will take you to next millennium. The Programme will have a coverage of basic sciences and Recent advances in surgery. This programme will be conducted for 33 days for 300 hours covering the length and breath of surgery and medicine including all Specialities.

More than 100 faculty members will participate in this programme to cover 120 Topics with complete testing process to enable a student to attend any level of competitive exams. This programme will be available online from 1st March 2019 to 3rd April 2019 it will also include online Test series.

Once again I Welcome all of you for the Great Scientific Programme NEET Super Speciality.
