SPEED RESIDENTIAL COURSE - MANGADU

HIGHLIGHTS

Speed Medical Institute has started a "RESIDENTIAL COURSE" for students who want to take a break from all activities and spend a full year in preparation for medical entrance examination. This course is a first of its kind in the country, programmed to help students in the maximum utilisation of their time, help them to work to their true potential and to realise their dream of joining a PG course of their choice. The residential hostel is located in the suburbs of Chennai away from the chaos of the city in a peaceful ambience which encourages students to focus on their studies.

HIGHLIGHTS

- Every week has two full day Classes for all 19 subjects.
- Extra 2 Classes in a week on Complicated and important topics for 2-3 hours.
- Test and discussion Classes on high yield questions.
- Students can revise through digitalized material in lab.
- Online based exam, individual login for each student
- Exams on Subject wise, Grand Exams, Picture based, AIIMS, AIPGMEE, DNB, PGI, TNP, APPG, MHPG, and Mock exams, Instruments & logos.
- Exams which covers more than 11,000 questions.
- 24 hours of library separately for boys and girls.
